

Can See Oakwood Sunday

LEMONT -- Sunday, (Jan. 4) from 2 to 5 p.m. are open house hours at Lemont's newest elementary school, the Oakwood School, at 1031 Kim Place. The public is invited to attend, joining parents of students. Coffee and pastries will be served by the PTA.

Thirteen classrooms will be in operation for the first time there the next day, Jan. 5. Teachers, along with teaching materials and classroom equipment, were moved Dec. 17, 18 and 19.

Opening of the new building provides relief for the Central School, which has

housed more than a thousand students. About 600 remain at Central and the other 400 are going to the Oakwood School.

Nine rooms in the original portion of Central School will no longer be used for regular classes, though two may be used for special education classes. Five on the top floor are definitely vacated because continued use would require repairs that are too expensive, according to William Dunk, District 113 superintendent. Three classes in lower floors of the old building have been moved to a newer addition.

Rev. Glenn Bergmark, said the organization is "very, very happy" that the new building is ready. "The classroom space is desperately needed," Rev. Bergmark said.

The PTA has a dozen parents lined up to serve coffee at the open house. The PTA has also "helped with communication."

Rev. Bergmark said the PTA is hoping for a "good, orderly transition . . . the administration has handled this mostly, and they are doing a remarkable job."

Dunk said that the move went well and commended

Sweeney Brothers Movers for "a fine job." Dunk said teachers are settled. There are "odds and ends" remaining to be finished by construction workers in Oakwood School, Dunk noted, but said a break-in period can be expected anyway.

Voters authorized construction of the new school in a referendum in June, 1967. Occupancy was hoped for in September, but construction delayed opening until Jan. 5. Parents of the 422 pupils in grades kindergarten through fourth who will be at the new school have been notified.

Radar Patrol On State; Extra Guard To Assist

LEMONT -- There will be a heavy radar patrol on State St. beginning next week to protect kindergarten through fourth grade children attending Oakwood School for the first time.

That's the word from Frank Sowa, Lemont chief of police. He explained that children living west of State St. must cross the busy road in order to get to the new school, located at 1130 Kim Place near the intersection of State and Keepataw Dr.

He said school zone signs with 20 m.p.h. speed limits have been placed along State St. and on Keepataw Dr. "These will be strictly enforced, and we will have a heavy radar patrol," Sowa said.

As an aid to the children, Sowa said there will be two crossing guards at State St. A temporary guard will be at Keepataw and State for one week and will send children to the permanent crossing in front of the bowling alley.

After the first week, the only crossing will be in front of the bowling alley where the permanent guard will be.

Sowa urged all parents to make sure their children cross there, and to warn them to be cautious.

Victim Improves

MOKENA -- The condition of Barbara Marie Beebe, 16, Burr Oak Lane, Brightwood, who was struck by a car while walking along Hamilton Rd., Dec. 16, is reported as showing slow improvement, according to someone in Nursing Service at Silver Cross Hospital. Whether the girl has recovered consciousness and the name of her doctor was information that could not be divulged according to this hospital spokesman.

It was ascertained, however, that Miss Beebe has been moved out of the intensive care section. It was learned from the police report at the time of the accident that Miss Beebe suffered severe head injuries.

Lt. Miller Appointed

LOCKPORT -- Lieutenant Robert Miller, of the Lockport Police Dept., has been appointed to the newly created position of Juvenile and Investigative officer, effective January 6, 1970. John D. Fash, Lockport Police Commissioner, announced the appointment last week.

The new position was created by the City Council in order for the department to do a better job in the investigation of crime as well as an attempt to prevent problems with juveniles before they arise.

Lt. Miller joined the police dept. Nov. 21, 1960. He was promoted to Sgt. on April 1, 1966, and to Lieutenant in 1967. He has attended several juvenile seminars and is highly regarded in the Joliet area for his outstanding police work. He is currently attending night school at Joliet Junior College, for Criminal Investigation.

Lt. Miller told the Southwest Graphic that he is "very happy" about the appointment and further stated, "I hope to do the best I can." He resides with his wife, Carole, and their two children at 916 Washington Street in Lockport.

VETERAN'S of World War I - Gay Paree Barracks No. 538 and Auxiliary held a joint installation of officers Dec. 7 at the Senior Service Center at Joliet. Two New Lenox residents, Mr. and Mrs. Clarence Batson were elected and installed for 1970. Clarence was elected commander of the Barracks and Mrs. Batson, president, of the Auxiliary.

Edsall Seated

ROMEOVILLE -- Bids for warrants were sought from twenty banks by Eugene Korst, attorney for the District 96 School Board. One bid was received from the First National Bank of Lockport, at 6 per cent interest. The total amount of the warrants is \$1,335,000.

Ernesto M. Edsall was appointed to fill the board vacancy created by the resignation of William Butchart. Edsall served nine years on the District 96 board and three years as a member of the District 205 board of education. He has also served as president of each group.

Kenneth Hermansen has been asked to speak at Jerseyville, Ill., on January 27. He will speak on Junior High Schools.

Eugene Korst, attorney, Paul Swinford, business manager, and James Bingle met with Louis Bertani, states attorney, and repre-

sentatives of Commonwealth Edison last week on the protested taxes by the utility company. Edison has put forth the proposal that they pay only 25 per cent of the amounts due, on the grounds that they are paying double taxes.

The District 96 PTO will meet January 15, and the entire 45-15 school plan will be explained to the parents. Interested persons are urged to dial the recorded message service at 838-0699, for additional information.

A recent survey showed that more damage was done to busses at North View School than at other locations where busses are parked. Kenneth Hermansen was asked by board members to contact Bolingbrook officials.

George Hassert was elected vice president of the board.

The next board meeting will be held at Park View School, in the library, on Jan. 12, at 7:30 p.m.

Romeo Library Passes

ROMEOVILLE -- A referendum, which asked that a Public Library District be established in Romeo, has passed. There was a light turnout, but 268 voters said "yes," while 204 voted against the proposal.

Vito Martinez told the Southwest Graphic that a community attitude survey indicated that 63 per cent of the people in the area wanted a library system. The referendum was actually accep-

ted by 56.5 per cent of the voters.

The passage of the referendum will provide funds for the Fountindale Public Library District. The name "Fountindale" was chosen through a contest, and was submitted by James Bingle. Martinez said that Bingle promptly donated his prize (\$100) to the library fund. The name has historical value in that Fountindale was the name of the first settle-

ment in DuPage.

According to Martinez, the minimum tax that can be levied for the library is 6 cents per \$100 assessed evaluation or about \$4.80 per year for a house that is assessed at \$8,000.

Martinez concluded by saying he is anxious to begin work on establishing a library, "in a store front, or mobile unit or whatever, and then we can grow from there."

Best Decorations Noted

LEMONT -- Mr. and Mrs. Lloyd Bahnck of 11950 Hillcrest Dr., were a happy couple last Tuesday when told their outdoor Christmas decorations were the best in Lemont.

"Oh? Really!" exclaimed Bahnck. "Well? Wonderful!" said his wife when they were told they'll be getting the \$75 first place prize offered in the Lemont Chamber of Commerce contest.

Two other homes scored in the money. They were Mike Malisin's, at 544 McCarthy St., for a second place prize of \$50, and Bob Herb's, 24 W. Logan, for a third place prize of \$25.

Bahnck didn't really figure his display, which took more than 12 hours to put up one weekend, could win a prize. His wife thought let's try and entered saying that to win the booby prize would be better than nothing.

The Bahnck's display consists of a revolving illuminated aluminum tree inside; lights on the eaves, porch railings, flower box, on evergreen and maple trees on the property, and on wreaths; stars in the windows; floodlights; two candy canes; an illuminated Santa and his sleigh pulled by three reindeer, and two huge candles.

Malisin's display included colored lights and twinkling lights, and a nativity scene. Herb's home was decorated with lights, win-

dow scenes and a sleigh.

Rich Hancasky, chairman of the event for the Chamber of Commerce, said that the contest will continue in succeeding years. The response was good for the first year, and we're going to keep it going," he said. There were 15 entries in the effort to beautify the town at

Christmas. Judging was done Dec. 21 and 22.

Judges were Fred Abney of South State St., a Ceco Steel Co. foreman; Harry Kersey, from Hampton Park, who is a member of the Lemont Jaycees, and Bob Kubulis, from Homer Township, of R and R Meat Brokers.

Visiting Soon

LOCKPORT -- Lockport East High School counselors will begin a round of visits to grade schools in District 205 shortly after the holidays.

They will begin registration procedures with eighth graders who will enter East High in the fall. The visit schedule has been announced.

During their visits to the grade schools, the counselors will administer place-

Explosion Damages

ROMEOVILLE -- Gene Fisher, 46, of 611 Linn Ave., in Romeo, suffered minor burns on both arms when the flame from a gas water heater ignited fumes from mastic tile cement he was working with Saturday, Dec. 20. The explosion caused \$2,500 in damages to his home.

ment tests. These, along with teacher recommendations, will be utilized in counseling students on courses they should select. The tests, which take approximately three and a half hours to administer, include tests of achievement in the areas of English, mathematics, social studies and science.

Course requirements and electives available will be outlined, and the students will be requested to complete a preliminary registration, or course selection at this time.

The counselors will return to the schools in March for final registration.

The following test dates have been established for the schools within the high school: Reed, Jan. 6; Fairmont, Jan. 7; Ludwig, Jan. 8; St. Joseph, Jan. 9; St. Dennis, Jan. 12; Homer 33C, Jan. 13; Taft, Jan. 20; Walsh, Jan. 21; Kelvin Grove, Jan. 22.

Chief Gait: Heed Law

LOCKPORT -- Robert Gait, Lockport Police Chief, wishes to remind everyone of the city ordinance prohibiting parking on any street within 24 hours after a snowfall of three inches or more unless such street has been cleared of snow during the 24-hour period.

This ordinance is not to be confused with city ordinance 525 which prohibits parking on any street having curbing and gutters, between the hours of 3 a.m. and 6 a.m. This ordinance remains in effect continually throughout the year.

Chief Gait also reminds drivers of hazards of cars parked in crosswalks, emergency exits, near fire hydrants and in areas designated as "no parking" areas, at Lockport Central High School during basketball games.

Hit-Run Trial Halted Prematurely

LEMONT -- The trial of a man on hit and run driving charges came to a premature but temporary halt almost as soon as it got started.

Robert Chaney of Zion was charged with the Feb. 27, 1969 hit and run death of six year old Debra Dahn of 127th

and Archer. As of Dec. 11, jurors had been selected for the trial, which was finally starting after a number of postponements of the original March date.

The Cook County state's attorney's office is prosecuting the case, and the lawyer assigned was Charles

Whelan. Whelan said on Dec. 11 just after the jury had been picked that he expected the trial would last about a week. He said witnesses were slated to go on the stand the following day.

The following day, however, Whelan woke up ill with severe case of the flu.

Circuit court judge Felix Buscio declared a mistrial and set Feb. 16 as the date to again select jurors for a new trial.

Mrs. Dahn, who has been attending the legal actions in the case, said she was disappointed that the trial did not get going. She said, though, she was grateful the mistrial was declared by the judge; otherwise, an assistant to Whelan would have had to prosecute the case.

Cheney was arrested and charged after Mrs. Dahn's daughter stepped from a school bus in front of her home and was hit. A witness provided a license number that lead to Cheney's arrest, police have said.

N.L. Asks Bids On Truck

NEW LENOX -- The New Lenox village board is to open bids next week, (Jan. 7) on a pickup truck needed for the street department.

The village plans to equip the vehicle with a high lift and a snowblade. Such a truck equipped with a blade is not heavy enough to battle heavy, drifted snow but it can still do considerable service in opening up streets, it was pointed out.

Roy Dowle, the village business manager, is now getting information on cost of radio equipment which would facilitate use of village trucks and street crews.

LEMONT -- When you've grown from a modest beginning to a \$9,000,000 financial institution in just twelve years, it calls for a celebration!

That is the reasoning behind the "Golden Dozen" Anniversary Celebration of the Lemont Savings Association, which was founded on January 2, 1958 by a group of business and professional men who saw the need for a savings association to serve

Lemont and vicinity, offering friendly, personal, helpful service to savers and borrowers.

January has been designated Anniversary Month, and old depositors as well as new savers are invited to visit the association's headquarters at 108 Stephen Street any time during the month for an impressive program of free gifts, souvenirs and refreshments.

Heading the list of features

is a handsome, accurate bathroom scale which will be given free to anyone opening a new account with \$200 or more, or adding \$200 to any existing account. The scale, which registers up to 300 pounds, makes an attractive and useful addition to any bathroom or bedroom.

Lemont youngsters who were born on any date in 1958, and who come into the savings association with a parent or parents, will be given a shiny Kennedy half-dollar. There is, also, a wide variety of free souvenirs from which visitors may choose -- and of course, refreshments will be served.

All in all, the atmosphere will be one of celebration, appreciation for the loyalty

of Association depositors, and a friendly welcome to new friends.

The Lemont Savings Association is currently paying 5 1/4 % on 6 month savings certificates of \$1,000, payable semi-annually, and is attracting many new savers who appreciate this high rate of return as well as the personal attention to their needs on the part of the officers.

The Association has always enjoyed the active support and participation of many leading local businessmen. Officers and directors include John Teubel, president; Elkin Pincus, vice president; Richard Pekofske, executive vice president; Robert Gorski, treasurer; Marvin Ludwig, assistant treasurer, and directors Dr. Ernest Blondis and Patrick Suttla.

All of them, and all the employees of the Association, extend a warm welcome throughout this "Golden Dozen" Anniversary Celebration -- and an invitation to come in and share in the festivities.

If you were hoping for a White Christmas, you really got your wish!! Opens New Decade

The new Oakwood School opens to classes for the first time Monday morning. The opening represents a major expansion of the facilities of Community Consolidated School District 113 of Lemont. Classroom space in the district goes up nearly 80 per cent with 16 Oakwood rooms at 1130 Kim Place.

By the end of class for the Christmas holiday, more than 1,000 students reported daily to Central School, 400 McCarthy Rd., which is in part the original public school built in 1856 to serve Lemont. Monday, while 600 students remain at Central School, 400 others go to Oakwood for the first time.

It is no understatement to say that facilities of the new \$0.6 million school will really let the pressure off students, teachers and administrators who have been managing in the crowded quarters of Central School. All rooms in the second floor of the 1856 and 1898 portions of the building will be closed, and only some rooms on the first floor will be used for specialty classes. Maximum use will be made of the newer classrooms and facilities in the three modern

portions of the school built since 1956.

At the new school, students will find 13 classrooms for kindergarten through fourth grade, plus a library room and a double room for all-purpose use. There is a school office and two smaller rooms for guidance use.

We congratulate the school board and administrators for their work in bringing Oakwood School into existence, and certainly the voters who saw to it that a referendum for funding the project passed in 1967.

An open house at the new building will be Sunday from 2 to 5 p.m. The community is invited to visit. Persons should take the opportunity to make the tour.

The expansion of facilities for District 113 also serves as a symbol for action for other sectors of the community. Lemont is about to move into the 1970's -- years in which private interests and government will have to work much harder under the direction of vigorous leadership to benefit from inevitable pressures to grow. The effort of District 113 and its patrons to provide good facilities for good education is an example for the rest of the community.

The Will Is The Way

The holiday season descended on the wings of commercialism with the merriest of souls being the purveyors of toys, toasters and trivia. With impulsive emotion many persons ignored the dictates of their economy and splurged in an orgy of Christmas gift buying.

Now the day has come and gone. The realization is just now beginning to penetrate the fog of recklessness that took so many deeper into the debt doldrums.

Be of good cheer. The eve of a New Year is upon us. 'Tis the time to celebrate and for a few moments forget the cares of yesterday. Raise your glass on high and toast the coming of better things. A year which already hints of greater accomplishments than ever before in Lockport.

Despite the setbacks of a defeated educational referendum and the controversial Central School property; despite the continued pollution of our air and water by local industry and utilities, and despite the picayune fault-finding of some... we will see a 1970 of proud events.

With help and a little faith each of us can contribute something to make our community a better place in which to live and raise our children. The recent past has brought us the knowledge that it takes more than talk to satisfy our needs. We must believe in our future and invest heavily in manpower, money and imagination. Nothing can be consummated without that intangible and elusive quality... will. If we have the will then we will see the fruition of our ideas.

Pulling together and setting aside our individual prejudices, animosities and

petty grievances can do the trick. Now is the time to pledge yourself to greater purpose.

The Happiest of New Years to all our readers, their relatives and friends from all of us at The Southwest Graphic.

It's That Time Of Year Again!

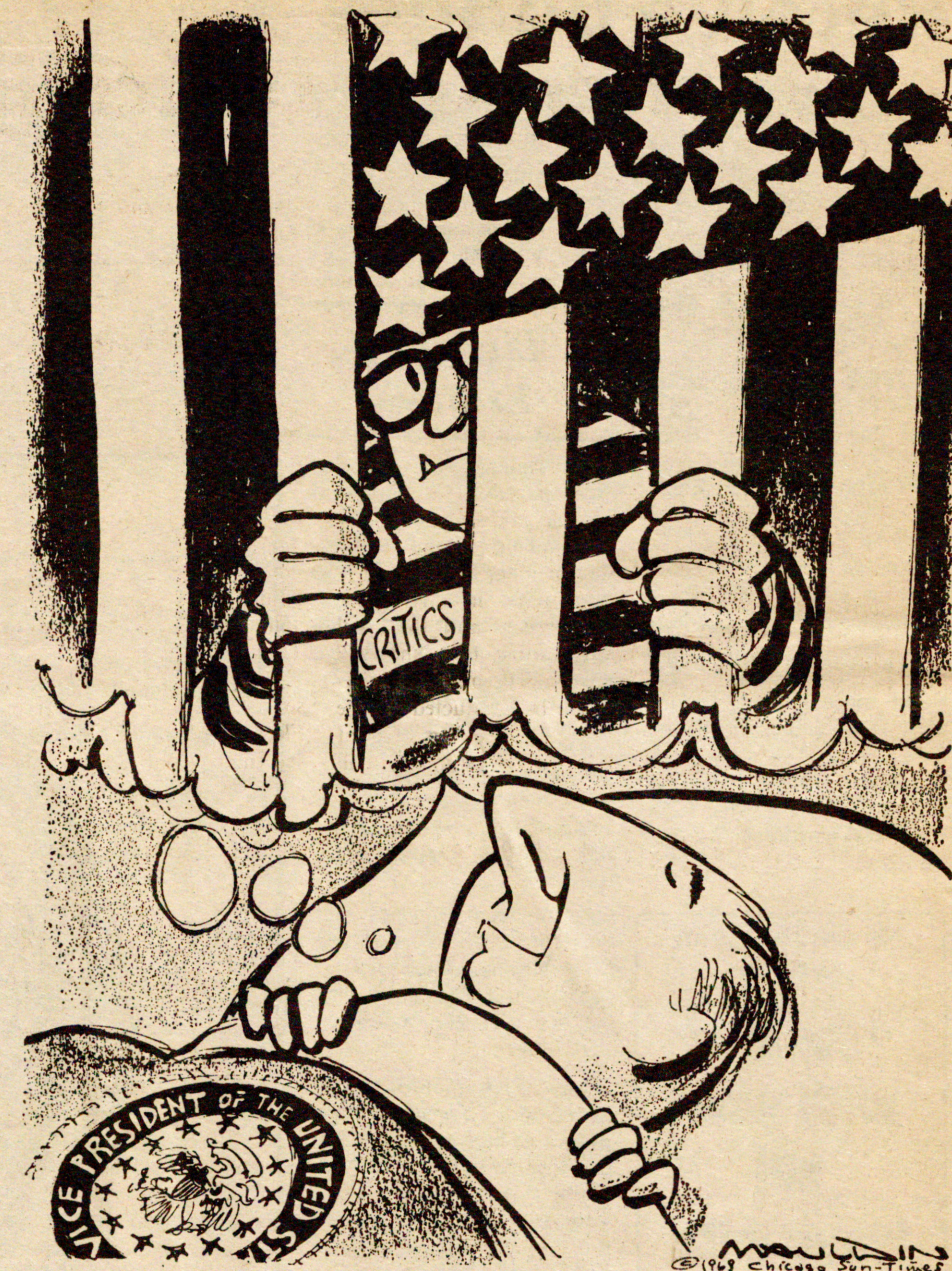

Comes the resolution!
Down with 1969... up 1970!

This is the time of year when one is supposed to take a fast look -- the faster the better -- at his deeds and misdeeds of the past 12 months and resolve to avoid repeating same in the next 365 days.

It is also a time when the pundits and "I" writers take the world to task for its errors and hazard guesses as to what the new year will bring.

This forecasting bit is really not too difficult. The memory of the average person is a short one and if your prediction fails to materialize he is not likely to recall just who it was that said what.

Anyway it is quite difficult to catch a professional prophet with his predictions down. These pros are the ones who have attained status as experts in their particular fields. Their vocabularies come equipped with special words and phrases, plus a skillful scattering of double talk, so their product becomes a nice blend of the posi-

Beautiful Christmas

There have been Christmases when the weatherman has said, "there will be a white Christmas," or "there will not be a white Christmas," and has been wrong. This year the forecasters on TV and radio didn't say anything about Christmas when they were dealing out their predictions the previous weekends.

They said it would be a nice weekend with no precipitation. One of them said there might be some snow on Tuesday but didn't say anything about whether enough would fall to last through Christmas Eve.

Well, he was right in saying there would be some snow falling on Tuesday. As a matter of fact he would have been right had he said there would have been snow falling on the Saturday before Christmas, the Sunday before Christmas, as well as the Monday before Christmas.

That snow that began the night of the Monday before Christmas was a doozey. One of the forecasters said that the weather

fraternity had had a conference that evening and all were agreed that there would be snow Tuesday as well as the stuff that was coming down then but they all felt there would not be too much of it -- maybe three inches at most.

The three inches had tripled by Tuesday morning and in some areas the snowfall Tuesday added another two or three inches by nightfall.

With approximately a foot of snow on the levels Wednesday morning the weathermen could have been reasonably safe to have predicted a white Christmas but with the luck they had been having they probably feared that a chinook would make its appearance in the midwest and melt the snow.

With the temperature getting down in the low teens last Wednesday morning, however, the weatherboys became firm. There would be a white Christmas. Maybe even whiter, with a postcard Christmas Eve, with snowflakes gently falling.

tive and the negative and thus open to various interpretations.

Why not try it yourself? Write down what you think is going to happen in 1970. File it away. Then if you can remember where you filed it get it out, say in six months, and see how you are making out. Also remember interpretation is important.

You probably will find that properly interpreted a lot of your predictions will be true, or they could become true. Give yourself a little leeway.

Hedging -- an action one takes to lessen loss -- is quite permissible. As a matter of fact, it is a necessity if one is to stay in the forecasting business.

For instance, suppose you think the Chicago Bears will win all the marbles in the National Football League next year, or whatever its name will be. You could come out flatfooted and say the Bears will be the 1970 football champions. That leaves you with no place to go if the Bears should falter or swoon as they did this year. They

have to win or you are a gone duck as an expert.

But if you say... look for great improvement in the Bears in 1970... (if they win two games that would be a hundred percent improvement over this year and 100 per cent surely qualifies as great improvement)... there is talk that George Halas will spend a bundle on talent and if he succeeds in making a deal that would give him Roman Gabriel, Sonny Jurgensen and Johnny Unitas to bolster the quarterback spot and Calvin Hill and Tom Matte to beef up the backfield, the Bears will have to be counted as a strong contender.

A strong contender can always turn into a winner so if the Bears should win you certainly know your stuff and if they don't, well, you just said they should be a strong contender, so, there you are, batting 1,000.

If you want to read about what is going to happen in 1970 you will have to look elsewhere. To be truthful we are too lazy to prognosticate.

Mall Referendum Date Set For February 17

Telephone 479-9321

Mokena residents who have been discussing the proposed Front Street mall for the past year will decide what to do about it Feb. 17.

Under the ordinance authorizing the village board to contract for the purchase of the land along the Rock Island tracks between Mokena St. and Wolf Rd. there was a provision that if proper petitions were filed a referendum would be set up so the people could vote on the proposal.

The petitions were circulated and attracted several times the number of signers required. Only approximately 60 signatures were re-

quired and more than 200 were obtained.

The village hall on Front St. will serve as the polling place for the referendum and the hours of voting will run from 6 a.m. to 6 p.m.

The price of the land involved is \$21,500, of which \$19,000 would be paid to the Rock Island and \$11,500 will go to the Hauck Oil Service Co.

The village will borrow the money for the purchase from the Mokena State Bank at an interest rate not to exceed 6 1/2 per cent per year. It was expected the obligation would be paid off in 10 years. The village would levy a tax to meet the payments.

According to Cadet Cott-

ingham, of the Mokena Chamber of Commerce, and head of the mall committee, the cost of the village for the purchase of the land would not greatly affect tax

Mokena

bills.

The Chamber of Commerce Cottingham says, has raised approximately \$7,000 that it has in cash. This would be applied on purchase of the land, he said, which would leave some \$13,000 to be paid off by the village.

The Chamber will also raise the money needed to develop the mall, he said.

It has been estimated that it will cost around \$43,000 to surface the parking area, install walks and planters and plant trees and shrubs.

Opponents of the mall contend there is no guarantee, and there can be none, that the Chamber of Commerce will be able to raise the money to pay for the work that must be done to develop the mall. If the Chamber did not develop the mall as planned, the opponents say, then the village would have to do it at public expense. Or it could just let the property remain as it is.

The property is now used for automobile parking, it was pointed out, with most

of the cars owned by commuters. Most of the commuters travel to Chicago but there are some who travel back and forth to Joliet.

Proponents of the mall say it will greatly improve the appearance of Mokena and provide a better image of the community for rail passengers passing through.

An ordinance setting the date for the referendum was adopted by the Mokena village board at its regular meeting last week...

There will be no midnight mass at St. Mary Church New Year's Eve but there will be four masses there on New Year's Day. The first will be at 7 o'clock, the next at 9 and the others

Sandra Baumgartner, Robin Glen Luce Wed

LOCKPORT / NEW LENOX -- The First United Methodist Church of Lockport was the setting for the candlelight marriage of Sandra Lee Baumgartner and Robin Glen Luce, at five o'clock on the afternoon of December 13.

The bride is the daughter of Mr. William Baumgartner, 1112 Lincoln, Lockport, and the groom is the son of Mr. and Mrs. Palmer C. Luce, Fourth Ave., New Lenox.

The bride's gown, worn originally by her mother 21 years ago, featured fingertip sleeves, an ivory satin bodice with illusion neckline, and a peau de soir skirt and train edged with lace. She carried a nosegay of white carnations and miniature pink roses, trimmed with holly and baby's breath.

The maid of honor, Miss Lorraine Drick, wore a burgundy velvet floor length gown trimmed with pale pink rosebuds. The bridesmaids, Mrs. Diana Kesich and Miss Maria Slavounous, were attired in identical gowns. The maid of honor and the bridesmaids carried nosegays of pink carnations and miniature deep red roses also trimmed with holly.

Ray Roswell served as best man; groomsmen were Michael Villa and Rick Seitsinger. Tom Baumgartner, brother of the bride, served as an usher.

Following a reception in the church parlors, a buffet supper was served at the home of the bride's father.

Don Norris, brother of the groom, was best man. Chuck Norris, Randy Rothrock,

Larry Kanke and Jerome Nyckel were ushers.

The reception was held at the Silver Lake Country Club. They honeymooned at Pheasant Run.

The couple are graduates

of Eastern Illinois University. At the present time he is in the Air Force and is stationed in Turkey. The bride is living at home with her parents and is teaching in Tinley Park Dist. 140.

'Boot' Them Properly

SOUTHWEST -- There's no reason for anyone to have cold feet, especially youngsters who probably spend much more time outdoors than their parents. But children are most often the victims of ill-fitting boots and resulting cold toes. After all, what budget-conscious mother is going to throw away a child's too-tight boots and buy new ones in February when winter is nearly over? Or put aside big brother's boots two sizes too large for Junior when Junior needs boots?

Mother would throw away or put away for a season any boots that failed to fit if she knew how cold feet can bet in them. Air is an insulator itself-but only about 1/8 of an inch from the surface it's nearest. A too-tight boot eliminates natural air insulation around the foot; a too-loose boot allows cold air to come between boot surface and the surface of the shoe or stocking inside it. A boot that allows 1/8 to 1/4-inch of free space at vital points of the foot is the most comfortable boot.

A child, adequately buttoned up and protected around the head and torso and booted with correctly fitted boots, can play outside comfortably for hours. These

tall boots are self-lined with a layer of unicellular foam which will not ever absorb moisture and can be kept absolutely dry. If a snowman-maker accidentally kicks snow into his boot, a quick toweling inside lets the boot go on keeping the child warm and dry when he returns to his play.

100 gets you 5.

First, we make it easy for you to earn the highest bank interest on savings the Federal Law allows. (That's 5%.) All you need to open a 5% account is \$100. Withdrawals can be made during the first 10 days of any calendar quarter after 90 days. (Compare this with other banks.)

Second, you can add any amount at any time. A dollar. A thousand dollars. You name it. No minimum. (Again, compare.)

How Fast is Fast?

Third, we don't compound your interest quarterly. Or even daily. We take your interest to heart and compound it continuously. That's as fast as the computer can do it. It compounds so fast that your interest earns interest. (It's in your best interest to compare this feature.)

As you can see, your interest is as important to you as it is to us. But don't take our word for it. Bring in a hundred dollars. We'll prove it. Continuously.

Spartans Coast To 62-34 Win

LOCKPORT -- The Spartans found easy going in a 62-34 win over Providence the weekend before Christmas. The hapless Celtics found shooting accuracy wanting and therein lies the

difference between victory and defeat. Lockport hit slightly over 40 percent of their 53 shots from the floor. The Celtics, meanwhile, managed only a bit better than 22 percent

of their 49 shots in the field goal statistics. Ralph Papesch, West's point leader, lived up to his talent and lead both teams with 19 points. Papesch started slow, scoring only six

points in the first half, but came on to confound the Celtics defenses. At the half it was a 32-18 ball game and both squads seemed to letdown in the third period with a total of 13 points being tallied in the third period. Oddly, Lockport had its biggest scoring period in the final moments, with the reserves carrying the load. Coach Bill Parmen-tier's two junior guards, Chuck Brandon and Chuck Williams played well and should see more action this season.

Porters Pin D-G Men

LOCKPORT -- The Porters' mat squad took seven of twelve matches, last Tuesday night at Downers Grove South, to bring their season total to three wins, two draws and one loss.

After Rich Wiesman's win over Chris Daily, in the opening bout, the Porters dropped the 107-pound match as Julius Engre pinned Brian Hollister in 1:42.

In the 115-pound class, Downers Grove took their second and last win of the meet as Dan Egerdulis pinned Walker Sego in 1:11.

The rest of the meet was largely Lockport Central. Fred Williams took a forfeiture win in the 123-pound bout. Jerry Turley took all the points in a 9-0 win over James Haider.

Tom Calhoun, in the 137-pound class, outclassed Doug Hayes in a 10-0 win. Pete Kolody of Downers Grove went down to defeat in the 145-pound division as Harry Lewis took the bout 9-2.

The 155-pound win was taken by George Borman in a close 4-3 decision over Ron Walker.

A swift 32 pin gave Jim Loukas the win over Dave Gurrity. In the 175-pound division Downers Grove scored a win as Fred Fioulli took a 2-0 decision over Clyde Wisk. Guy Martins dropped his 185-pound match to DG's Carl Selrottinhaml, 6-1. The last match of the meet went to Downers Grove too as Mike Lepie won the heavyweight contest, 2-0, over Lockport's John Popek.

On Jan. 10, Lockport will compete in a four-school meet against Naperville, St. Charles, and host Rich Central.

Tough Combat Ahead

By RUSS SANDBERG
LEMONT -- In what is perhaps the most ambitious slate yet put together at Lemont High school, the varsity wrestling team faces the toughest portion of that schedule.

Coach Al Albrecht's charges had compiled a 2-2 mark, but the reading has now fallen to 2-4 as the result of defeats tacked on by Gardner and Wilmington.

Also beating Lemont in the 1969-70 campaign have been Minooka and Sand-wich. The locals hold verdicts over Dwight High and Lisle.

There is still a long way to go however, before the 17 match schedule has run its course, and Coach Albrecht is hopeful his charges, many of whom are comparatively inexperienced, will improve as the campaign progresses.

The Indians will be hoping to make inroads in that direction when they take on Peotone this morning, Dec. 30. This is a home affair, and while the 10 a.m. hour is somewhat unique, it will afford an opportunity for the vacationing students both at a high school and college level, to see their

favorites in action. Top point maker for Coach Albrecht's team thus far has been Ken Hutchinson. Wrestling at 137 lbs, Ken has compiled a 4-1-1 record. Terry Dauenhauer (130 lbs.) has been a 3-time winner.

In the double triumph listing are Jim Mattas (185 lbs.), John Benda (heavy-weight), Tony Galati (107 lbs.), Dan Festin (115 lbs.), Scott Barnett (145 lbs.), Dwayne Slayton (155 lbs.), Jim Etkorn (165 lbs.), Mark Sniegowski (175 lbs.).

One Crew Plays Whole Contest

NEW LENOX -- With all the tournaments that go on during the holiday season it is difficult to keep up with the area talent but to keep the record straight it should be remembered that the Knights of Lincoln-Way, who polished off Sandburg last Friday night, came back on Saturday to beat the Oak Lawns, 55 to 48.

Coach Tom Lewis played this one without any change in line-up. If he wanted to find out if the group had what it takes to play four

quarters he found out. He started out with Harold Webb, Greg Palka, Bill Been, Terry Ryan and John Minger and that was the outfit he used for the entire contest.

Lincoln-Way led 26 to 19 at the half and in the third and fourth periods the two teams swapped scores. The Knights tallied 11 points in the third quarter while the Oak Lawns made 18; in the last frame the Knights made 18 points and the visitors 11.

In the last minute of the game L-W sank five free throws.

Webb had the hot hand of the night, scoring a total of 21 points. Palka had 11, Been, 9, Ryan 8 and Minger 6. Somebody was working all the time.

The Knights bested their adversaries in the matter of rebounds, coming up with 36 of them as compared to 28 for Oak Lawns. Palka came up with 13 of them.

L-W plays Crystal Lake

this Saturday in the DeKalb holiday tournament.

Lemont Levels Off In Northeast Conference

LEMONT -- Lemont High's overall Northeast Conference mark stands at 2-2 as of Dec. 19. That evening, Lisle High brought in a 60-58 verdict over Lemont in a road game for the locals.

Coach John Jones' team faces a long respite from conference activity, but the basketballs will not lie dormant for too long however, for the Injuns are competing in the annual holiday tourney hosted by West Chicago High.

The Indians were in their initial appearance against West Chicago on Saturday, Dec. 27. Rounding out the lower bracket were Addison Trails and Waterman, who

met in the opening session. The two winners were coming to grips yesterday, Dec. 29, while the losers are tangling for consolation honors on the same date. The championship will be decided tonight, Dec. 30.

Besides Lemont, West Chicago, Waterman and Addison Trails, comprising the upper bracket are St. Francis of Wheaton, Chicago St. Gregory, Oswego and Hinsdale South.

The final 60-58 count at Lisle reveals the face that this was indeed a heartbreaking loss for Lemont's warriors, and once again, as the score indicates, it was a thrilling, and on a whole basis, very well played ball

game. The pattern was set from the very beginning as Lemont stepped off to an early 6-4 lead, only to have Lisle bounce back to take command at 10-6.

Lemont's starting five consisting of Dennis Bubinas, Pierce Spencer, Mike Heinz, Mike Hennebry and Don Nelson, along with the help of Steve Pociask, managed to keep abreast of things. They trailed by a slight 18-17 margin at the first period juncture.

Lisle hit a quick 2 pointer, but buckets by Bubinas and Heinz gave Lemont a 21-20 lead. This was eventually built up to 30-26 on fielders

by Spencer, Hennebry, Pociask and Bubinas. Just before halftime, Lisle's hot shooting Tom Pausche connected on 3 consecutive outside efforts to give the Lions a 32-30 lead at the midway break.

At the start of the third quarter, Pausche ran his string to 5 in a row, before Dennis Bubinas broke the spell with a pair of baskets. Steve Pociask and Pierce Spencer hit 2 pointers to give Lemont the nod once again at 38-36.

The lead continued to exchange hands throughout the third quarter, at the conclusion of which found Lisle leading 47-46. Pociask then put the Jones Boys on top

Porters Win Their Sixth; Tally Is 62-46

LOCKPORT - Central's talented basketball team, held to a 16-16 draw at the end of the first period, solved a stubborn defense of the Downers Grove Trojans and carved out an easy 62-47 win. The Porters' seventh straight victory of the season was aided by Billy Thompson, a 6'5" junior, who had warmed the bench most of the time prior to the Dec. 20 game. Thompson effectively hobbled the offensive prowess of 6'8" Gary Wonsowski, the Trojans answer to Clarence Bates. Wonsowski tallied 24 points, while leading the scoring of both teams, and was making a shambles of the Porters' defense until Thompson came off the bench.

Bates was second in the scoring column, with 24 points for the Porters, and hit 50 per cent of his shots from the floor. Brad Travis hooped 19 points including five-for-five from the free-

throw line. At halftime the Porters had a 10-point bulge, 38-28, and were never in serious trouble during the game. Personal fouls eliminated Wonsowski late in the game and his great one-man show was ended.

Oakview Wrestlers Win

NEW LENOX -- The wrestling team of Oakview grade school won a dual meet last Saturday with the George Werden Buck Boys Club mat squad, 30-27. Oakview has now won two meets this year and lost one.

In last week's event Clay Plante of Oakview (90 pounds) pinned Jim Shaw; in the 112 pound class Dave Murphy pinned Bob Walsh. John Nakashima took a decision over Brad Robinson at 95; Marty Ley, 103, beat DeElvis Page; Steve Bach-

mann, 127, beat Henry Tyler and Greg Chellino, 133, defeated Bill Hooker.

Terry Barker, Oakview's heavyweight tied Jim Hite and John Seals, 120, and Chip Tyler also wound up with ties.

Boys Club wrestlers took three matches with pins, Leonard Tyler, 65, over Dave Jeffrey; Rick Ellis, 70, over Bob Fox, and Jesse Shaw, 75, over Dave Fox. Elvis Foster, 80, won by default and Greg Maxey, 85, beat Gary Hawkins.

Tom Pausche and Al Warner, who collectively fouled in 44 of Lisle's 60 point total. Pausche led the way with 25 markers, while mate Warner was contributing 9 baskets, plus a single charity toss.

9-Personals

ANY INTEREST in the following for the Illinois Constitutional Assembly: The main duty of government is to control the living concentration of people. Assure minimum housing, food & services to all. A person can live below if it wishes but the wealth will be available. AND in the preamble write: The most precious gift, treasure, wealth & security, intelligence can give civilization (way better than frankincense, incense & myrrh) is absolute control of reproduction (biological & spiritual). And as communications is a large part of intelligence. The citizen should be taught at an early age to recognize it's loss and sacrifice for it. The child at talking age should hear the parable bubbles from whence cometh its spirit to preserve its life & intelligence on earth. Through the ages by loss of communications, individual criticism was cut off. Hence persons were able to make themselves God, God's protector, King, Savior of the world and representative dictator. Cecil Kraft, 385 N. Chicago Ave., Kankakee, Illinois, Brown Cross Services.

INTRODUCING THE "BLUE CHIP" SAVINGS ACCOUNT TODAY'S SAFEST INVESTMENT

**OUR BLUE CHIP BIG ~~AA~~ SAVINGS ACCOUNT OFFERS
SUBSTANTIAL EARNINGS -- PLUS 100% SAFETY
FOR YOUR SAVINGS.**

Ask anyone who's gambled on those so-called "blue chip" investments recently. The happy dream of high returns has turned into a financial nightmare for a lot of people -- especially those whose family savings were involved.

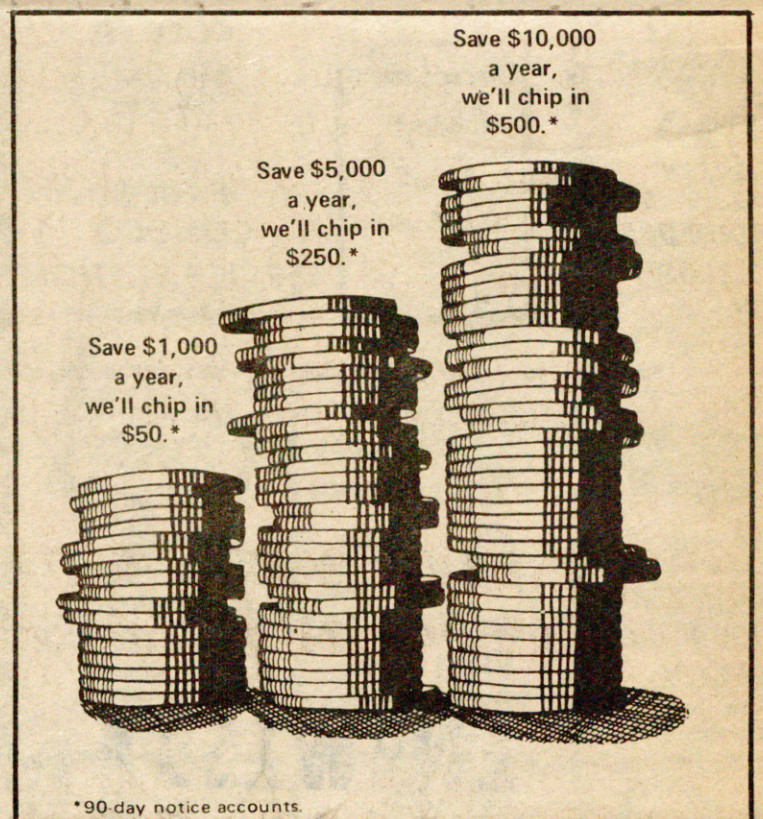

That's why our bank now offers you a better kind of blue chip investment, one that's both high beneficial and highly secure. And the Big ~~AA~~ Time Savings Account assures that your funds will always be here, in total.

You can open the Big ~~AA~~ account with a deposit of \$1,000 or more and add to it at any time with deposits of \$100 or more.

The Big ~~AA~~ Account interest is now a full 5%.

Like to get started stacking up those blue chips for the family's future? Well, we're ready to add our money to yours in a Big ~~AA~~ Time Savings Account with your name on it. Just let us know by mailing in the attached card. We'll send back the few forms necessary to open your Big ~~AA~~ Time Savings Account.

All it takes is a little application to get all our interest!
